

Lambertville Historical Society

Historic House Plaque Order Form

Please complete one order form per plaque

Lambertville Historical Society will recognize and make available a plaque stating “National Register of Historic Places (Year built) Lambertville Historic District” for any structure within the Lambertville Historic District as designated by the National Register of Historic Places and as further depicted as “The Lambertville Historic District” in the maps contained in the Delaware and Raritan Canal State Park Historic Structures Survey dated June 1982. If you live within short walking distance of Lambertville, your home should qualify for this lovely plaque. Simply complete the form below and send payment to LHS.

NOTE: The year to be indicated on the house plaque will be the year indicated in the inventories accompanying the Delaware and Raritan Canal State Park Historic Structures Survey, unless you can substantiate a year built through official public records (i.e. deeds, mortgage records, tax records) or other credible documentary evidence. We can help you out with this process.

I am interested in ordering a house plaque in accordance with the policy stated above.

Name:

Address:

Phone:

E-mail:

Member of LHS: Yes No

Full address of building located within the Lambertville Historic District (include block and lot number if known): _____
